

Forum European Union - Latin America and the Caribbean

Corporate Social Responsibility (CSR) and multi-sectoral alliances:
Contributions to competitiveness, innovation and sustainable development
- 28 and 29 October 2009, Buenos Aires, Argentina -

Working Table I "Responsibility and competitiveness: How could we improve the applicability of responsible management?"

Dwight Justice, Policy Advisor, International Trade Union Confederation, Belgium

He has served on the staff of the ITUC where his main responsibilities are in the areas of multinational enterprises, industrial relations and trade union organising. He has served as the advisor to the Workers' Group on various committees of the International Labour Conference (ILO).

He has been extensively involved in the area of corporate social responsibility and codes of conduct helping to formulate the ICFTU/GUF Basic code of Labour Practice - the precursor to the best known supply chain labour practice codes. He has been involved in a variety of CSR related activities including the Global Compact, the Global Reporting Initiative and the ISO Working Group on Social Responsibility.

The International Trade Union Confederation is the world association of national trade union centres. The ITUC has 312 affiliated organisations in 157 countries and territories representing over 168 million workers.

Trabajó en el equipo de la Confederación Sindical Internacional (CSI) responsable en las áreas de empresas multinacionales, relaciones industriales y organización de asociaciones profesionales. Trabajó como asesor del grupo de trabajadores en varios comités de la Conferencia Internacional del Trabajo (OIT).

Se involucró profundamente, dentro del área de la responsabilidad social corporativa, con los códigos de conducta que sirvieron para formular el Código Básico de la CIOSL/GUF sobre Práctica Laboral – es precursor de los códigos de práctica laboral para la cadena de abastecimiento. Estuvo involucrado en una variedad de actividades relacionadas con la RSC, incluyendo el impacto global, la iniciativa global de informes, y el grupo de trabajo ISO sobre responsabilidad social.
